Recusal for Scott Pruitt 4-18-17.docx

Hi Sarah,

Ex. 6 - Personal Privacy

There may not be an issue with that one case, after all. According to the OGC attorney, that case is fully briefed and argued now, and is just awaiting a decision: *Sierra Club et al., plaintiffs-appellees v. Regina McCarthy in her capacity as Administrator of the United States Environmental Protection Agency, defendants-appellees; State of Arizona et al., intervenor-plaintiff-appellants*, 9th Circuit, Case No. 15-15894, on appeal from N.D. Cal., No 13-cv-03953-SI.

I have confirmed with DOJ that Oklahoma did join in the overall settlement for the VW case, so I've added that to the list. See the revised the recusal statement (attached).

Assuming that you're recused from the same cases, I'll use this final chart for your own recusals.

Hi Justina! Just checking in on the case we discussed last week. Have you found the petition or brief that was filed so I can see the subject matter?

Thanks!
